

Bluesounder app running on an iPad mini (in a ruggedised enclosure)

Pressing the "Settings" button in the centre of the screen will bring up a control panel, where you can change;

- Colour Scheme
- Contact symbol presence
- Surface Variation Index (SVI)
- Metres - Feet

Works with any Angling Technics echo sounder with software version 1.4 and above (from February 2008)

- Range (Boat to Bluesounder) up to 220m +
- Range (Bluesounder to iPhone/iPad) up to 50m
- Batteries 3 x AA (supplied)
- Bluesounder running time (alkaline batteries) ~ 250 hrs
- Drain on iPhone/iPad almost immeasurable
